

KUURA 2

Intended for traditional sauna bathing, the Kuura 2 has a visually subdued surface and presents an understated Scandinavian design. Unique to Tulikivi, this heater is made of cast stone, which has never been used in sauna heaters before. The cast stone retains the heat generated by the elements and slowly releases it evenly over time, creating a soft and comfortably humid heat. The rounded edges of the square design combine uncompromising Finnish innovation with Tulikivi's technology, making the smooth and stylish design safe to the touch and ideal for family enjoyment.

INNOVATIVE FINNISH DESIGN AND STONE

The Kuura 2 heater's modular body ensures the cladding can be easily changed, and the large stone compartment provides lasting, humid and soft heat. The modern design is especially suitable for small saunas, can be integrated into the benches, and is designed to withstand the test of time. Connecting Kuura 2 to Tulikivi's touch control unit allows you to choose the heating time and temperature to suit your preferences. The heater can also be connected to your KNX home automation.

ALSO REQUIRED:

- Stones
- Touch screen control unit

OPTIONAL:

- Embedding flange
- KNX Connection Module

KUURA 2 technical data

HEATER	6.8kW	9kW	10.5kW
Sauna room	5 - 9 m ³	8 - 13 m ³	9 - 15m ³
Stone capacity	60 kg	60 kg	60 kg
Weight	91 kg	91 kg	91 kg
Height	950 mm	950 mm	950 mm
Width	380 mm	380 mm	380 mm
Depth	380 mm	380 mm	380 mm
POWER			
Supply voltage	3/N ~ 400 V	3/N ~ 400 V	3/N ~ 400 V
Amperage	10 A	16 A	16 A
SAFETY DISTANCE			
Safety distance to side wall	50 mm	50 mm	50 mm
Safety distance to feet bench	20 mm	20 mm	20 mm
Safety distance to ceiling	950 mm	950 mm	950 mm
